

## Research Associate- Teacher Professional Excellence.

- **Job Title:** Research Associate– Teacher Fellowship Programme
- **Location:** Prayoga Campus, Bangalore.
- **Number of positions:** 2
- **Reports to:** Head, Teacher Professional Excellence

### About the Teacher Professional Excellence Initiative.

The initiative intends to facilitate and support the educational research/innovational aspirations of select school teachers nationwide through fellowships, professional development programs, awards/recognition for teachers, and publication of teachers's action research in reputed journals.

### Overview

We are looking for dedicated research associates to be part of our upcoming Teacher Fellowship Programme under the Teacher Professional Excellence Initiative. The individuals will closely work with the head of Teacher Professional Excellence to conduct a teacher survey, review related literature on various teacher fellowships offered across the world, and be part of a team in assist in the development of curriculum and certificate courses for teachers.

### Key Responsibilities

- Collaborate with the Head of Teacher Professional Excellence to design and execute a comprehensive teacher survey.
- Conduct literature reviews on global teacher fellowship programs, identifying best practices and innovative models.
- Synthesize research findings into reports and presentations to inform the development of the Teacher Fellowship Programme.
- Assist in developing curriculum and certificate courses for teachers in alignment with the fellowship objectives.
- Work with a team of educators and experts to support the implementation of the teacher fellowship program
- Participate in regular meetings, provide updates, and contribute to discussions on the research findings and curriculum design.
- Perform other research-related duties as needed to support the Teacher Professional Excellence Initiative.

### Qualifications

- Post-graduation from a program in education, social sciences, or related fields with a minimum of 2 years of experience in teaching/research
- keen interest in honing research skills, including experience with literature reviews, data collection, and analysis.
- Excellent written and verbal communication skills.
- Interest in educational policy, teacher professional development, or teacher training.
- Ability to work independently and collaboratively in a team setting.
- Proficiency in Microsoft Office Suite (Word, Excel, PowerPoint).
- Familiarity with qualitative and quantitative research methods is a plus.

### Application Process:

Interested candidates should submit an updated resume and cover letter with the preferred subject title: Application for Research Associate Teacher Professional Excellence on or before **15th Jan, 2025**, with [careers@prayoga.org.in](mailto:careers@prayoga.org.in).
