

Head - Academic Excellence

Association Type: Full Time

Location: Bengaluru

Overview:

The Head - Academic Excellence Team will lead Prayoga's academic initiatives, ensuring that our educational research and pedagogical innovations are effectively implemented. This role requires a highly experienced educator with a strong research background, deep expertise in curriculum development, and a passion for driving academic excellence. The candidate will shape Prayoga's vision for education, mentor teams, and spearhead initiatives that redefine learning paradigms.

Key Responsibilities

- **Leadership & Vision:** Develop and execute a strategic vision for academic excellence in alignment with Prayoga's research and educational goals.
- **Curriculum & Content Development:** Oversee the creation of innovative, research-backed curricula and learning resources across disciplines, with a focus on science, mathematics, languages, and psychology.
- **Research-Driven Innovation:** Foster a culture of research and inquiry, integrating academic rigor with creative problem-solving to develop impactful educational solutions.
- **Interdisciplinary Collaboration:** Work closely with educators, researchers, and experts across fields to develop pedagogical models tailored to diverse learning contexts.
- **Teacher & Student Training:** Lead training programs for teachers and students, promoting best practices in teaching methodologies and assessment.
- **Academic Mentorship:** Guide and mentor a team of researchers and educators, fostering professional growth and skill enhancement.
- **Impact & Outreach:** Engage with schools, institutions, and policymakers to disseminate Prayoga's research and innovations, ensuring broader adoption of transformative educational practices.
- **Quality Assurance:** Ensure the highest standards of academic rigour, innovation, and effectiveness in all educational initiatives.

Qualifications & Requirements

- **Education:** Postgraduate degree (PhD preferred) in Sciences or related fields.

- **Experience:** Extensive teaching experience at the school level, with a deep understanding of pedagogy and curriculum design.
- **Leadership:** Proven academic leadership experience in driving research-based education initiatives.
- **Innovative Thinking:** Strong ability to develop creative and impactful educational methodologies.
- **Collaboration Skills:** Experience working with diverse teams, interdisciplinary experts, and educators.
- **Communication Skills:** Excellent ability to articulate complex educational concepts and engage effectively with stakeholders.

Why Join Prayoga?

- Be part of a vibrant team of educators redefining the future of learning.
- Contribute to groundbreaking research that impacts education on a national and global scale.
- Collaborate with leading educators, researchers, and innovators.
- Engage in a dynamic work environment that fosters creativity, innovation, and professional growth.
- Lead impactful initiatives that shape pedagogy, teacher training, and student learning experiences.
